Item missed during General Business Meeting

It was noted that during the general business meeting a motion was not requested approving the general practice of sending the 1st VP (Kelley Hart) to the International Conference. Emergency Services Training.

Tim Lauda provided information on EST funding reimbursement for this conference and what will need to be done to submit a bill to EST. He also advised the board that since the election the board will need to assign someone to his duties of being a primary contact person for EST.

Plans for the 2013 Spring Board meeting were discussed. Board members tentatively agreed that April 11, 2013 would be a good day to have the meeting. Following past practice board members from the local vicinity will be tasked with obtaining bids for the conference and setting up the Spring Board Meeting at the desired location.
