Re: Outstanding Achievement Award

Dear Bill Hanchey,

I would like to nominate Deputy Attorney General Rondee Blessing of the State of Idaho Attorney General's Office for the Outstanding Achievement Award on a successful prosecution on an arson and insurance fraud case involving a vehicle in Power County, Idaho. This prosecution resulted a jail sentence for first degree arson and insurance fraud to the individual responsible for this crime. The case required a lot of teamwork by the departments and organizations involved however, her work on the case was especially remarkable. Deputy Attorney Blessing did an excellent job responding to a strong defense case made by a highly respectable defense team.

Thanks,

Mark Larson
